March Break Match-up

And the winner for best series is...

#

Instructions: We are pitting some of our favourite children's book series against each other! You alone can help your favourite books make it to the finals! Write the number of the series you like best from each pair and repeat the process until you have picked the book series that you think should win. Return this sheet to your local branch by March 18 and watch our Facebook page for the results!
